

Cost of Attendance

The Cost of Attendance (COA) is the total of tuition fees and living expenses determined by the University. The figures below include living costs, room, travel and visa costs but not tuition fees and loan origination fees. The sum of your loans and other aid, such as scholarships and grants, cannot exceed the total COA.

You may choose how much you need to take out, you don't have to take the full amount. If you have a scholarship or are awaiting a decision, you should inform Maastricht University, as this will affect the total amount of loans you can borrow.
