

# Introduction weekend Medicine

Dear ITM Students,

First of all: congratulations on being admitted to ITM.

To start your student life in an awesome way, we'd like to welcome you to Maastricht, ITM and the medical study association Pulse. This is the start of the best time of your life.

## Why this letter?

To start the academic year, we invite you to the introduction weekend of medicine. All medicine and ITM students are welcome to participate in an exciting weekend to make friends- most of whom you'll keep for the rest of your student and professional life.

## Warning: Dutch spoken

Everybody is allowed to join on this weekend, but the main language will be Dutch. It will be hard to fully participate in this weekend if you can't speak Dutch. On the other hand, what better way is there to learn Dutch while relaxing with native speakers?

## When will this epic weekend happen?

The 18th until the 20th of August. This is just before the INKOM, the main introduction of Maastricht. This way you're able to make friends with whom you can party during the INKOM. Don't worry, you'll be back in Maastricht in the afternoon so you're able to recover from this amazing weekend.

## But wait, who's joining this weekend?

You are. You and your fellow ITM/Medicine students, with the guidance of senior medicine students.

## Where will this happen?

In a small village in Belgium called Bree. Don't worry, we'll arrange transport from station Weert.
