

When you arrive at [Eindhoven Airport](#), you can travel to Maastricht railway station by public transport. You can travel by bus (lines 400 and 401) to Eindhoven railway station. This will take around 20 minutes and a ticket will cost you around €2,-. You can buy a bus ticket from the bus driver.

From Eindhoven railway station you can take the train to Maastricht. This will take one hour. A ticket costs you €17,- and you can buy this at the yellow vending machines at Eindhoven railway station.

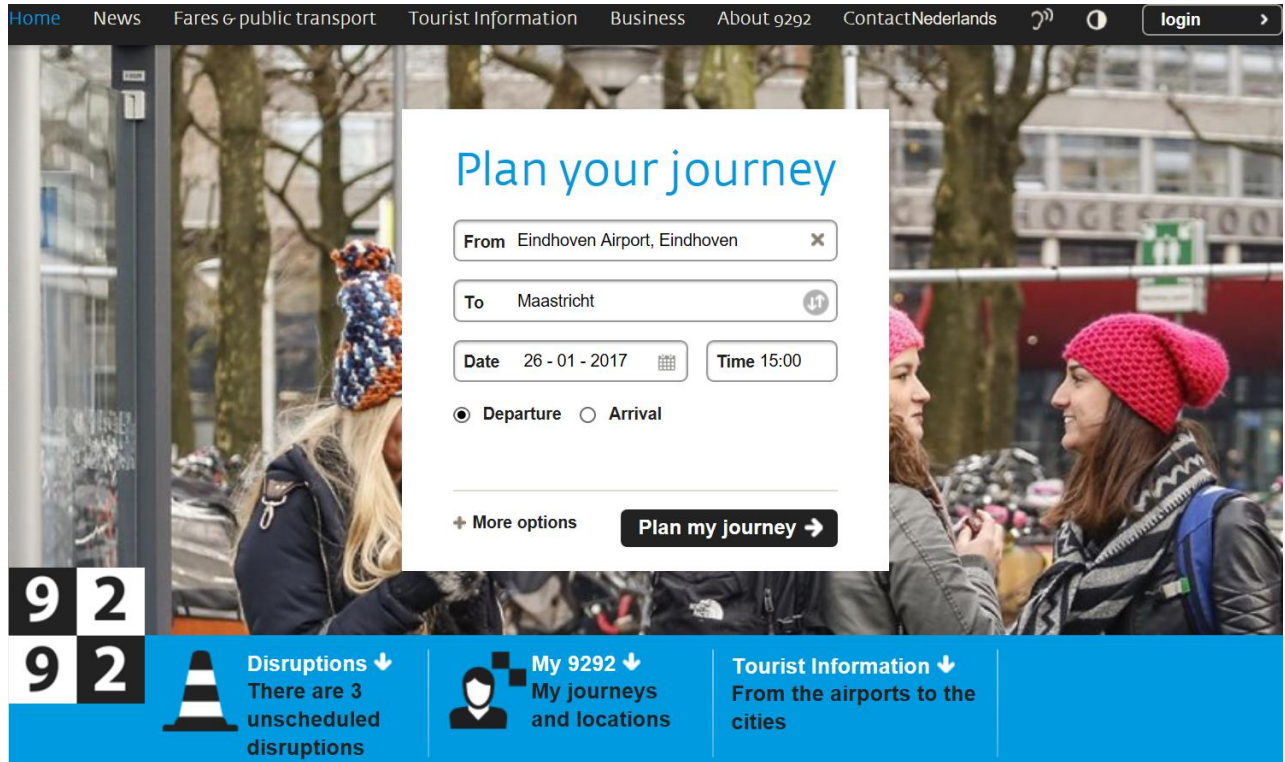

It is possible to plan your travel in advance. You can do this by using the [NS travel planner](#) or the [9292 OV travel planner](#). You can either do this online or by downloading the apps on your smartphone.

Always check the updates concerning your travel route.

An example: Eindhoven Airport → Maastricht

For this example we used the [9292 OV travel planner](#):

Step 1. Travel information

The screenshot shows the 9292 OV travel planner website. The navigation bar includes links for Home, News, Fares & public transport, Tourist Information, Business, About 9292, ContactNederlands, and a login button. The main content area features a 'Plan your journey' form with the following fields: 'From' (Eindhoven Airport, Eindhoven), 'To' (Maastricht), 'Date' (26-01-2017), and 'Time' (15:00). Below the form are radio buttons for 'Departure' (selected) and 'Arrival'. A '+ More options' link and a 'Plan my journey' button are also present. The background image shows people in winter clothing. At the bottom, there is a blue banner with three sections: 'Disruptions' (3 unscheduled disruptions), 'My 9292' (My journeys and locations), and 'Tourist Information' (From the airports to the cities).
