The current course offer is subject to change without prior notice.

Participants in the International Triangle programme are responsible for getting acquainted with, and for abiding by, the rules and regulations of their host university in a timely manner, especially with regard to examination types, schedules and forms of resits, if any.

The Education and Examination Regulations (MSc-EER) for the Master's study programmes at the School of Business and Economics of Maastricht University (UM) apply to all Double Degree programmes. You can find the MSc-EER on the Student Portal (My SBE Intranet), under "Regulations, rights and duties".

Additional costs

Students accepted in this programme are expected to pay a non-refundable Exchange Administrative Fee (EAF) of **ZAR 8,325** prior to registration at Stellenbosch University. The EAF comprises of the International Registration Fee (IRF) and a Service Fee. Service fees may be utilised for services such as internet, photocopying, printing, washing quota, gym membership, IT services, society memberships, etc. Only two services are compulsory to be deducted from the student's service fee, which is the student card (± R 90), and the Network Availability Fee (± ZAR 600). If you spend more than the service fee allocated amount, you need to pay the outstanding amount prior to your departure. Failure to settle the outstanding amount, will result in your Stellenbosch University transcript being withheld.

Fixed curriculum

Please note that all SBE Network programmes (including the International Triangle programme) have a fixed curriculum. It is not possible to switch/waive/cancel any of the courses offered in these fixed programmes. If for some reason you still want to make changes to the curriculum, you will have to submit a well-documented request (including a thorough description of the alternative course) to both SBE and the host universities.
