#WiDSMaastricht2023

The Amrapali Zaveri Awards for Data Science 2023

Moderators: Birgit Wouters & Dr. Martina Summer - Kutmon

Dr. Amrapali Zaveri
(1984 - 2020)

The Amrapali Zaveri Awards for Data Science 2023

- Aim of the AZ Awards

Recognition of scholars for their contributions to the field of data science
Finding ambassadors for data science

- Two awards, based on nominations:

- The Amrapali Zaveri Award for Future Data Scientist
- The Amrapali Zaveri Award for Early Career Data Scientist

- Criteria

Contribution to education, mentorship, research, advocacy, community building and/or advancing the engagement of underrepresented minorities in data science.

Awards committee

Birgit Wouters

Martina Summer - Kutmon

Tiffany Leung

Leto Peel

Claudia van Oppen

Christopher Brewster

The winners are...

The Amrapali Zaveri Award for Future Data Scientist 2023

The winner stood out ____, because of their:

- dedication and curiosity;
- team player
- computer vision related research (discovery of food adulteration)
- tutor for the WiDS Datathon 2023

Master student @ DACS
Data Science for Decision Making

The Amrapali Zaveri Award for **FUTURE DATA SCIENTIST**

awarded to

Yaru Zhang

7 March 2023

 Maastricht University
Institute of Data Science

The Amrapali Zaveri Award for Early Career Data Scientist

The winner stood out __, because of their:

- academic achievements (infant/child gut microbiome and child health)
- organization of events, educational activities, mentoring
- open-source software development (check out microViz!)
- community building and outreach

PhD student @ MaCSBio

The Amrapali Zaveri Award for
EARLY CAREER DATA SCIENTIST

awarded to

David Barnett

7 March 2023

 Maastricht University
Institute of Data Science

Congratulations!

and thanks to all the nominees for their efforts
