Admission requirements

On this page you will find important details of the application process (such as deadlines, admission requirements, required documents and application assessment) for the master's programme in Econometrics and Operations Research for *academic year 2023-2024*.

Important deadlines for application

Applicable when starting on 1 September 2023

When you want to apply or are applying for this study programme, it is important that you inform yourself of the deadlines that you need to meet. The important deadlines when applying for this study programme are provided in the table below.

Note: if you are viewing this webpage on your phone, we recommend that you use portrait mode.

Date	What you need to know about this date
1 October 2022	Studielink is open for applications for the academic year 2023-2024
Up to and including 1 May 2023, 23:59 CET	Deadline for completing the entire application process for non-EU/EEA applicants (these applicants require a visa or residence permit)
Up to and including 1 June 2023, 23:59 CET	Deadline for completing the entire application process for EU/EEA applicants

How do we assess your application?

When you want to apply or are applying to this study programme, it is useful to know how we assess your application. You can find more information about this here.

The Board of Admission evaluates the quality of your application by looking at your GMAT score/Proof of Academic Capabilities (if applicable), IELTS/TOEFL score (if applicable), Grade Point Average, the level of statistics and mathematics and at how well your bachelor's programme corresponds with the master's programme. Besides this, the Board looks at your motivation, relevant work experience, international experience and extra-curricular activities. Based on this information, the Board of Admission will decide whether you can be admitted to the programme or not.

Assessment happens **on a rolling basis**. This means that, once you submit a complete file with all the minimum required scores, it will be presented to the Board of Admission. We will not wait until the deadline before we present your file to the Board. You will receive a **decision within 2-4 weeks** after completion of your file.

Required documents

The admission requirements for this programme depend on your previous education.

Select your previous or current education to see which admission requirements are applicable to you:

- [Dutch or Flemish university degree](#) in a field related to Business, Computer Science, Economics, Econometrics, Engineering, Mathematics, Liberal Arts or Physics
- [International bachelor's degree](#) in a field related to Business, Computer Science, Economics, Econometrics, Engineering, Mathematics, Liberal Arts or Physics

Upload all required documents for the application procedure via the MyApplication portal. Go to [Admission & Registration](#) to learn more about the admission and registration procedure.

Dutch or Flemish university degree

If you have another bachelor's or master's degree from a Dutch university in a field related to Business, Computer Science, Economics, Econometrics, Engineering, Mathematics, Liberal Arts or Physics, you qualify for admission.

UM School of Business and Economics

Are you student at Maastricht University (UM) and do you have one of the following degrees/certificates? In that case, you qualify for direct admission:

- a UM bachelor's degree in Econometrics and Operations Research

Except for a copy of your valid passport, you do not need to upload any other documents via the MyApplication portal.

Students from another UM bachelor's programme can check the requirements under '[Relevant NVAO-accredited study programme](#)' or '[Other Dutch university degree](#)'.

Relevant NVAO-accredited study programme

Some study programmes in the Netherlands and Belgium have the so-called NVAO accreditation. If your study programme is mentioned on the [list of relevant NVAO-accredited programmes](#), please upload the following documents via the MyApplication portal:

- **Grades transcript of your bachelor's programme**
Upload a grades transcript from each university you have attended, plus a translation if the original is not in English.
- **Curriculum vitae**
List your education, relevant extracurricular activities, internships and (professional) experience.
- **Motivation letter**
Provide good arguments for why you want to do this master's programme at Maastricht University and why you expect that you can successfully complete the programme. This letter should be about 1 or 2 pages long.
- **A recent passport picture**
- **A copy of your valid passport or your EU/EEA identity card**
