FPN Introduction Days 2023

Hello student!

Next week, your FPN Introduction Days will start. We're looking forward to meeting you and to kick off your study programme together! Maybe you're already enjoying the INKOM in our beautiful city, or you're still packing and enjoying the last days of your holiday. We hope you are as excited as we are for the start of the academic year 2023-24.

Registration

This Friday, you will receive an email (only on your UM account) with your group number and QR code for the registration on your first day. Make sure to bring this information to campus for the start of your Introduction Days.

At the end of Friday 25 August, your programme will also be visible in your timetable in the Student Portal.

Please note: If you have not received an email by Friday 25 August, 18.00hrs, please contact us via introweek-fpn@maastrichtuniversity.nl.

Enrolment

Please remember to submit your diploma and pay your tuition fees before the end of 31 August, to ensure a smooth enrolment into your study programme. Check the MyApplication portal to see what steps you still need to take.
