SCOPE

Maastricht University
School of Business and Economics

SBE

"To educate and train undergraduates, graduates and professionals to function effectively and responsibly as global leaders, and to generate and co-create ideas that advance scientific economics, management knowledge and practice. Through these objectives, SBE aims to add value to the society to which it belongs."

SCOPE

"SCOPE aims to be a community for personal and professional development for all SBE students, covering the complete student journey and beyond."
