

Final student numbers 2023

Universiteit Maastricht

LAW

vrijdag 1 december 2023

Final student numbers 2023

Algemeen

Op 1 oktober worden de voorlopige inschrijfcijfers gemaakt, op 1 december worden deze definitieve gemaakt.

Opbouw rapport

Het rapport is als volgt opgebouwd:

Inflow:

De instroom van de UM wordt met diverse downdrills getoond. Per faculteit, per nationaliteit, per programma type.

Er is ook een uitsplitsing naar "origin". Voor de eerste jaars studenten is uitgezocht waar de student zijn/haar vooropleiding heeft gevolgd.

Hierbij is vervolgens een onderscheid gemaakt naar 4 categorieën:

1. <100 km: Alle studenten die een vooropleiding in een straal van 100 km van de UM gevolgd hebben.
2. NL/BE/DE overig. Studenten hebben in NL, BE of DE hun vooropleiding gevolgd maar buiten een straal van 100 KM van de UM.
3. Europe Other: Studenten die in overige Europese gebieden hun vooropleiding hebben gevolgd.
- 4 Non Europe: Studenten hebben hun vooropleiding buiten Europa gevolgd.

Vervolgens wordt per programma nog de instroom gegeven.

Totale populatie:

Bij de totale populatie wordt gekeken naar unieke student en totaal aantal registraties.

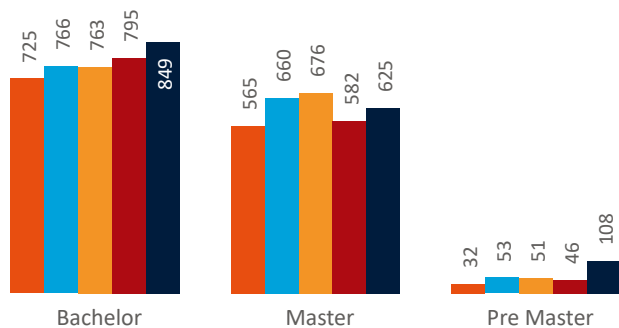

Nationaliteiten worden uitgesplitst op unieke student.

Er wordt vervolgens nog inzicht gegeven in het aantal bachelor studenten per studiejaar.

Tot slot nog een overzicht van de populatie per programma.

Inflow per program type

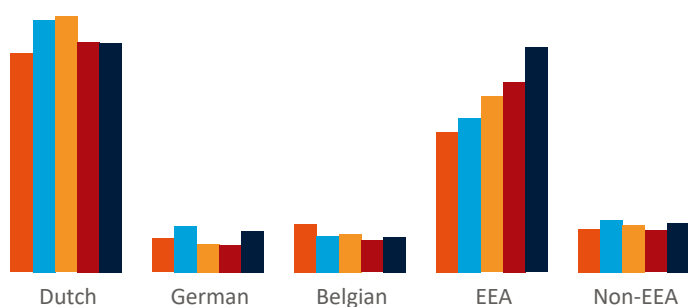

● 2019 ● 2020 ● 2021 ● 2022 ● 2023
