The 4<sup>th</sup> World Summit on Competency-Based Education (CBE) in the Health Professions is designed to bring together those across the health professions interested in the implementation of competency-based education worldwide.

- Exciting two-day event leading up to AMEE
- Leading scholars and practitioners reporting cutting-edge work in CBE
- Conference composed of plenaries, symposia, workshops, and abstracts related to implementation, research, and innovations within CBE
- Great opportunity to network and engage international participants with like-minded passion for CBE
- The 4<sup>th</sup> World Summit on CBE in the Health Professions is an inclusive meeting that invites all those who are interested in the field, no matter where they are on their scholarly or scholar-practitioner journey.
