## Maastricht University

Why work at Maastricht University?

At Maastricht University (UM), everything revolves around the future. That of our students, as we provide them with a solid broad foundation for the rest of their lives. And that of all of us through our research into solutions for global issues. With our six faculties, we offer a comprehensive range of education and research.

UM currently has more than 22,300 students and over 5,000 employees from all over the world, creating an inspiring and vibrant international community.

Does this international environment, where science is central, appeal to you? And do you want to contribute to this from a scientific or staff position? Then you are very welcome with your unique contribution!

## Student Service Center

The Student Service Center (SSC) is the central contact point for all student services and helps students with various matters related to studying and student life. The SSC provides students with information on admission, enrollment, tuition fees, and diploma recognition, but they can also go there for legal advice on study-related matters, career advice, a language course, or help from a psychologist. Additionally, the SSC offers various extracurricular activities such as a wide range of sports at the University Sports Center, opportunities for volunteer work, or lectures and workshops through Studium Generale. This way, the SSC provides students with the opportunity to develop and enrich themselves in other areas alongside their studies, allowing them to enter the job market with a broad foundation.

The direct contact with the student and the variety of services make the SSC a dynamic working environment. The SSC regularly collaborates with faculties, other service centers within UM, students, and external partners to support the student in the best possible way. ## UM SPORT

The UM SPORT department of the Student Service Center (SSC) at our Maastricht University organizes the sports program for students, staff, and alumni of Maastricht University and for students of Zuyd University of Applied Sciences. Through a varied sports offering of more than 60 different activities, 31 Student Sports Clubs, fun events, and student-friendly prices, a healthy and enjoyable sports experience is provided, with something for everyone. The international character of Maastricht University is also strongly present at UM SPORT, both among its members and its staff. Activities are mainly offered bilingually (in Dutch and English) so that they are accessible to everyone. The UM SPORT team consists of more than 120 employees: sports instructors, instructors, reception staff, and department team. Many of the employees are or were students at Maastricht University and all share a love for sport and exercise.

## HEEP

HEEP is the student badminton club of Maastricht! We are an international student association with various levels of badminton experience. In addition to our shared love for the sport, the association also makes time for fun. HEEP also organizes monthly activities and an annual members' weekend!
