You can find the SBE-MSc-EER on the Student Portal (My SBE Intranet), under "Regulations, rights and duties". For courses taken at QUT the EER from QUT will apply.

PRACTICAL INFORMATION

Contact

Questions or remarks regarding the Dual Degree Programme with QUT, can be directed to the Dual Degree Team of SBE Maastricht via e-mail to dualdegree-sbe@maastrichtuniversity.nl.

Tuition fee and additional costs

Students have to be registered at UM for the entire duration of the study programme, so even while abroad at the host university. This implies that students selected in the Dual Degree Programme pay tuition fee at UM for the entire duration of the programme. Selected students are exempted of tuition fee payment at the partner school.

Besides the tuition fees at SBE Maastricht, students selected for the Dual Degree Programme with QUT will be charged an **administrative fee of € 1.000,00**. The Dual Degree Team will provide students with an invoice including detailed payment information and a due date for the receipt of the administrative fee.

Cancellation: The administration fee of € 1.000,00 will not be refunded if a student cancels their allocation after confirmation. Only in case of severe personal circumstances, confirmed by a study advisor of SBE Maastricht, the administration fee can be refunded.

All other costs that come with participation (such as health insurance and visa application, travel and accommodation, study materials and potential fees at the partner school) and other personal costs have to be covered by the students.

It is your own responsibility to check with DUO whether you are entitled to retain your Dutch study grant, or “studiefinanciering”, while abroad for the Dual Degree programme.

Grading and results

As students in the Dual Degree Programme are pursuing two separate degrees, the grades counting towards their GPA are varying from one degree to another. The GPA for the degree from SBE Maastricht will only be calculated based on the programme components completed at SBE and the GPA for the degree from QUT will only be calculated based on the programme components completed at QUT.

Students in the Dual Degree Programme should be aware that any resits at SBE Maastricht will automatically disable students from obtaining a cum laude distinction for their SBE Maastricht degree.

Important note: there is no resit opportunity for students in the Dual Degree Programme at QUT.

Thesis

Students in the Dual Degree Programme with QUT take part in the Writing a MSc Thesis Proposal skills training at SBE Maastricht during the first semester of the programme. After approval of their topic and assignment of a thesis supervisor, students complete the thesis writing remotely during the second and final semester at QUT. The deadline for the thesis submission is 10 October 2025 followed by a defense deadline on 31 October 2025.

In case students fail to adhere to the thesis deadlines, they have a final resit opportunity scheduled within three months after the first sit deadline. When students fail the resit opportunity, students have to find a (possibly new) supervisor and depending on the supervisor and the quality of the thesis, might have to start a new thesis, implying a study delay for which the student has to stay enrolled at SBE.

Diploma and graduation

After successful completion of all the requirements of both the Dual Degree Programme, students will be awarded the degree of Master of Science in International Business – specialization Strategic Marketing (60 ECTS) from SBE Maastricht and the degree of Master of Business – Marketing major or Integrated Marketing Communication major (90 ECTS) from QUT.

Students are eligible for graduation at both schools after completion of all the programme components at both schools. The schools will exchange the needed documents with regards to the graduation process.

In case of no study delay, the actual graduation ceremonies at both schools take place as follows:

- At SBE Maastricht: Fall Graduation Ceremony in April 2026
- At QUT: December 2025

Additional internships/MSc exchange

Please note that SBE Maastricht does not approve an additional (extra-curricular) MSc exchange to students enrolled in a Dual Degree programme after they have completed the full programme. Since the regular DD programme already takes 1,5 years, another extension of the programme is not allowed.

An additional internship is only possible with 100% study progress. For more information on internships, please check the requirements of the Internship Office in the Student Portal.

Disclaimer

Should Dutch government deem a country unsafe for travel (because of sanitary crises, riots or other reasons), UM students will not be allowed to physically go to their exchange destination in that country. This also applies to students in the Dual Degree Programmes of SBE Maastricht. If that would happen, SBE Maastricht reserves the right to cancel the Dual Degree programme for its students and will enable them to continue and graduate in the regular master programme.
