

Welcome everyone to the Faculty of Health, Medicine and Life Sciences!

If you need a break from studying, we invite you to hang out at the Randwyck Bar and have a drink with some friends. You'll find the bar at the lower level in UNS 40.

The bar also holds all kinds of events throughout the year, organised by the study associations as well as the university.

Check out our Instagram to see what we're up to and when we are open! @randwyckbar

Are you interested in joining the bar committee? Feel free to send us a private message!

We hope to see you soon at the bar!

Randwyck Bar Board 2024-2025
